Guided Sightseeing Tours by Bike & Segway - Bike Rental - Private Tours

VIENNA SEGWAY TOURS 2016

Looking for something unusual? As part of a company trip or to relax after a long day of meetings, pedalpower Segway offers a unique and individually tailored experience. For maximum convenience we bring the Segways to your hotel or meeting place. And whether through the city, along the Danube canal, or in the giant Prater Park, riding a Segway is easy and fun. End your Segway Happening at a restaurant and enjoy the evening relaxing with your colleges or business partners. We will naturally pick-up the Segways.

To insure the safety of all participants, our guides conduct a professional and thorough 20 to 30 minute Segway training including practice rides. All our guides have been specially train to assure an enjoyable and safe tour.

When can a tour begin? Between 8 and 10am; at 2pm and any time after.
Length of tour: 1 ½ to 3 hours (because of the necessary training, a tour shorter than 1 ½ hrs. is not recommended)
Our Segway Office: Elisabethstraße 13, 1010 Vienna

PRICES 2016

All prices incl. VAT.

Number of Segways	5 to 18	up to 40
Price per Person	€ 89,-	€ 97,-
Included	per 10 persons 1 guide & 1 assistant	
Tour requirements	12 years or older, weight 45-120 kg, minimum height 150 cm	

For delivery within Vienna an extra fee of € 90,- per group will be charged. We can only deliver to places that have enough room and a safe place to conduct the Segway training.

We own 18 Segway. If more are required we borrow them from other companies. That is the reason that the per person price for groups with more than 18 persons is higher (see table). Generally we can guarantee up to 30 Segways. Groups with 40 or more are possible but we can only confirm the booking after we have received a final booking and assurance from our partners that they can provide the additional Segways.

Group size is limited to 8-10 participants per Guide. For every group we provide an additional person to assist the guide to assure a more personal and faster training. The safety of the participants is very important to us and for that reason we conduct our training thoroughly and require all group members to wear helmets. pedalpower Segway will supply the helmets free of charge. The participants can also bring their own helmets if they so wish.

Cancellation deadline and fees:
2 weeks before tour begins: 50%
1 week: 100%

Information concerning our Segway tours can be found on www.segway-vienna.at.
